Society of Engineers – UAE

Street 46, Al Wuheida Road Al Mamzar Deira, Dubai, UAEPostcode: 1413693155

E-mail dxbsoe@emirates.net.ae

Web: www.soeuae.com

Society of Engineers - UAE was established since 1979 to provide excellent services to the engineering Sector by accrediting their Qualifications to practice in the UAE.

Society of Engineers is a semi-government sector & a non profit organization who strives to provide great services to its 32,000 members'. Our Vision: "National Pioneering to engineers, gulf extension, international contact and an engineering reference for the public and private sectors". We are recognized by the ISO – 9001:2008 in 2004. SOE became a member of Arab Engineers Federation in 1984, World Federation Engineering Organization in 1985 and Gulf Engineering Union in 1986.
