

The 2021 lunchtime lecture series

Live presentations and Q&As with top professionals
in the tunnelling and underground space community

- > Every 2nd Tuesday of the month
- > Starting Tuesday 9th February
- > 13:00-14:00 CET time
- > Online

The series will bring together top professionals from the ITA's Working Groups and Committees, as well as industry representatives and project owners.

Registration is necessary but the lectures are open to everyone and the first 3 sessions are free!

To register, please follow the link on the Foundation's page:
