How to become a member

ITA invites all corporate bodies worldwide interested in the field of education and training for tunnelling and underground space use to become a member and participate in ITA-CET's activities. ITA-CET membership has to be confirmed by the Committee Steering Board, but does not bind applicants to membership in ITA. Of course, membership in both is possible and welcome.

Please click below to download the ITA-CET membership form.

ITA-CET Secretariat

c/o CETU
25, avenue François Mitterrand, Case n°1
69674, Bron, Cedex, France
