How the ITA-AITES is Structured

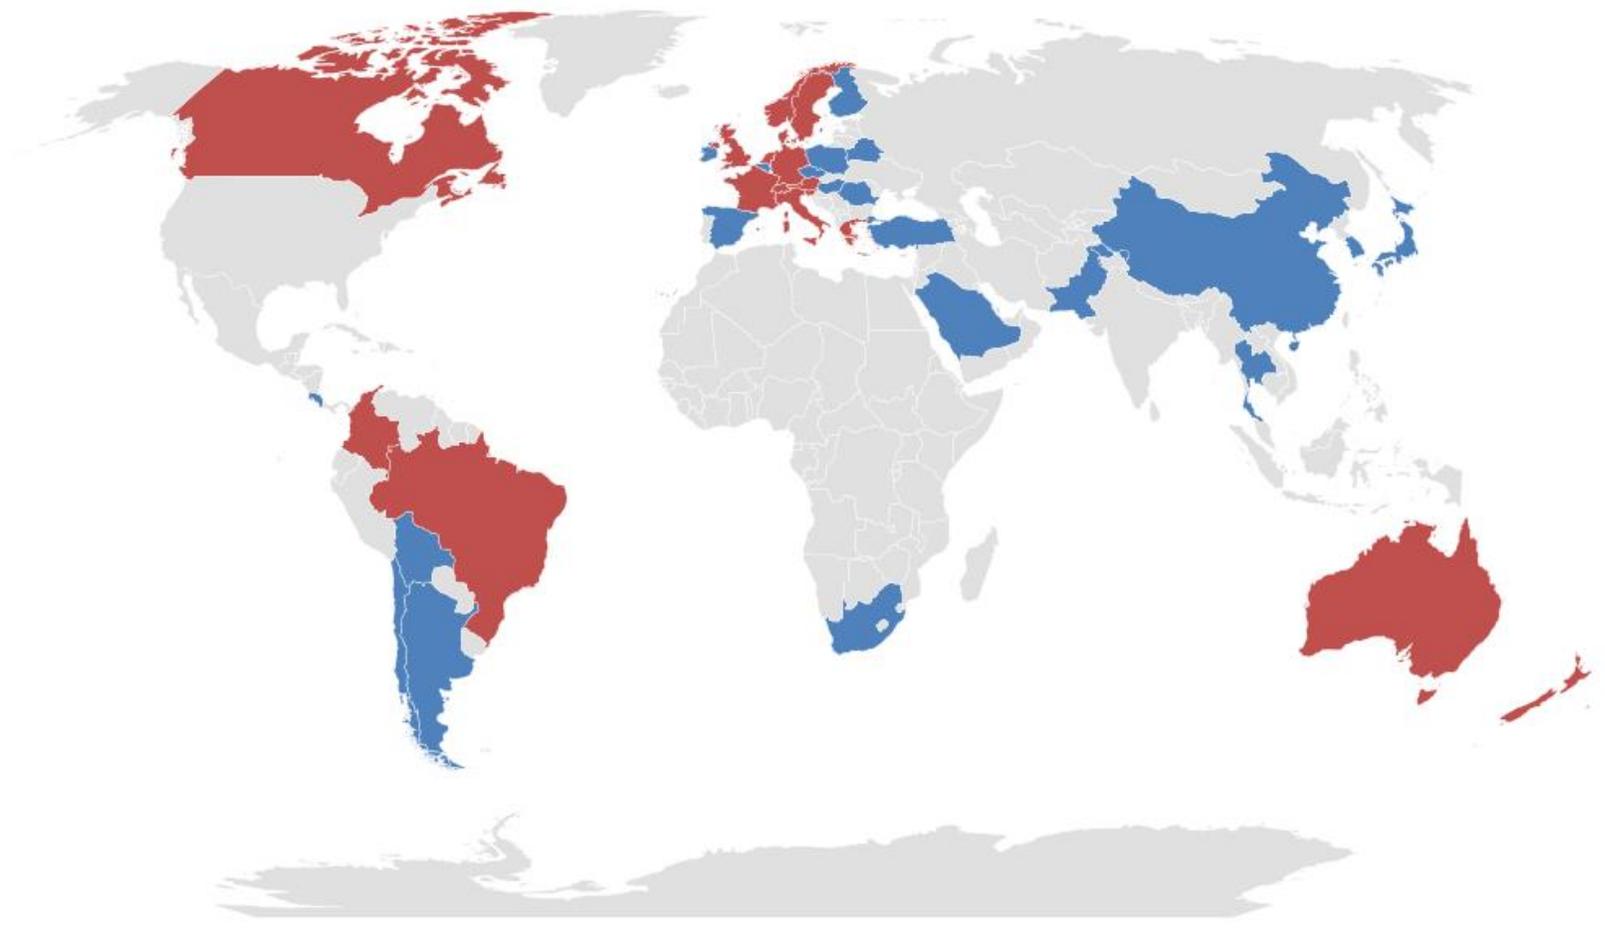

ITAYM

- ITAYM is an umbrella organization for all YM nation
- ITAYM consist of more than 35 different member nations.
- Participation is open to all young professionals and students under 35 years of age who have an interest in the aims of the group and are motivated to contribute.

Countries with active Young Members

- Young Members
- Officially establishe

What is ITAYM

Main Goal;

TO BE THE LEADING GLOBAL TECHNICAL NETWORK FOR YOUNG PROFESSIONAL ENGINEERS AND STUDENTS IN THE TUNNELING & UNDERGROUND INDUSTRY.

Secondary Goals

- Contribute to an improved awareness of the global underground industry.
- Facilitate arenas for young professionals in the underground industry internationally to enable exchange of technology, experiences and to build networks.
- To provide the young professionals a voice in the ITA and actively contribute in its work on such topics as education and promotional work

Who are we?

- Sindre Log (Norway)
- Lasse Vester (Denmark)
- Nichole Boulton (Canada)
- Keith Bannerman (Australia)
- Doris Frank (Slovenia)
- Jasmine Amberg (Switzerland)
- Joanne Sui (UK)
- Giuseppe Maria Gaspari (Italy)

Main activities

- Encourage and support member nations in establishing national Young Members organizations,
- Practical preparations for ITA Young Members at the WTC
- Strengthen the presence of ITAYM Media on social media
- Arrange ITA Young Members regional events
- Integration toward ITA and involvement in Committees and WGs. (ITACET – EX.CO)
- #Worldtunnelday
- Meetings over skype

Breakthrough

- Fourth edition will be ready within the next month
- We need to be better at distribution and promotion of the magazine
- We need to contribute with content

Focus the next year
